Tie-Breaker Procedures

This tournament will be seeded 1-14 based on the point system implemented in divisional regular season standings. The two divisional champions shall be the top two seeds. If there are ties, the following procedures, in order as follows, will be used to break the tie:

1. **Head-to-Head Tie:** The following procedure will be used in the following order until the tie is broken:

- Head-to-head competition between the tied teams.
- Points scored versus common opponents.
- Goal differential versus common opponents.
- Goals scored versus common opponents.
- Win-loss record of the two teams versus highest seeded common opponent and proceeding through the No. 14 seed, if necessary.
- Goal differential versus highest seeded common opponent and proceeding through the No. 14 seed, if necessary.
- Goals scored versus highest seeded common opponent and proceeding through the No. 14 seed, if necessary.
- Coin flip by the Commissioner.

2. **Three-Team Tie for fourth:** The following procedure will be used until the tie is broken. If at any time this tie breaker results in only two teams remaining tied, then the two-team tiebreaker will be used beginning with Subsection A in that procedure and continuing from that point:

- If all teams have played one another, then most points scored in those matches only.
- If all teams have not played, but one team has defeated all teams in the tie breaker, then that team breaks the tie and shall be placed highest. Remaining teams will continue with the tie breaker procedure.
- If all teams have not played one another and a team does not have all wins over the tied teams, then use Subsection B in the two-team tie breaker procedure and continue through the four team tie breaker procedure until the tie is broken (except Subsection H will read "If these or more teams are still tied, the Commissioner will conduct a draw").
